CLUB NOTES

UNFORTUNATE CLASH OF FIXTURES

North End, in racing parlance, have broken even in a disappointing start but at least had the satisfaction of winning the opening match for the first time in eight years, the last such success going back to a rousing victory at Deepdale against Arsenal in 1958, when Mr. Cliff Britton was manager at Preston.

He had less pleasurable recollections of that season than the previous two in which North End twice set up First Division points records for the club of 56 in 1956-57, his first year at Deepdale, and 59 the following season. By a sad twist of irony totals good enough to win the title many times were not sufficient then.

Also sad in reflection is the fact that Arsenal's 2-1 defeat on August 23rd 1958 was seen by 30,578 spectators and at the next home match there were 28,223. Times have changed much for the worse, for while the cost of everything connected with football has risen astronomically "gates" have declined to an alarming extent.

Despite ideal weather this season's opening was watched by fewer than 13,000, a total which nevertheless did not compare badly with attendances at other Second Division matches. It merely emphasised the worrying problem which the directors of the great majority of League clubs have to face these days in running football.

CLUB NOTES—*continued*

We beat demoted Northampton by two goals in a belated rally, Lee and Godfrey (penalty) scoring in the last seven minutes with the visitors fighting hard to cling to the goal lead they gained in the 35th minute. This anxiety would have been spared but for weak finishing by North End when on top in the early stages.

In the next match at Plymouth we also had our chances before Argyle snatched a second half lead, and again in a lively rally, but once again could not find the net from good scoring positions, and consequently lost by the only goal of the game. It was a long way to go (600 miles round trip by coach) for nothing.

Due to Millwall, as one of the promoted Division III clubs, being engaged in the first round of the Football League Cup last week, our originally planned visit to the Den had to be put off until September 19th, and the programme was further reduced by Millwall being concerned in one of the replays.

They were thus engaged on Monday night instead of being visitors to Deepdale as previously arranged. This match has been postponed until early October, on a date yet to be fixed. Owing to this unfortunate clash of fixtures, North End to day had played only three League games compared with five by most clubs.

On the brighter side is the promising form shown by our Reserves, mostly young players. Their first three matches were against the three top teams in the Central League, and they scored seven goals and gained four points. Visiting Stoke (runners up) they lost 1-3, but made amends with a sparkling 4-3 win at the expense of Rovers Reserves (third) and then beat Sheffield United (champions) 2-1.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—*Hull City*

A hearty welcome is extended to our visitors from Hull, who have entered upon the club's fifth spell in the Second Division with all the optimism and enthusiasm one would expect of a team fresh from a promotional triumph. Under the leadership of our former manager Cliff Britton they won the Division III title last season.

It was Hull City's sixth successive season in this new section, and they had the satisfaction of finishing as champions with a record total of 69 points, beating the 68 with which Bury went up five years ago. Including three periods in the former Northern Section Hull have spent 18 seasons in the Third Division.

As they are one of the eight present Second Division clubs which have never been in Division I—an omission which Mr. Britton hopes to rectify before the completion of his 10 years' contract as manager at Boothferry Park, Hull have played in only two sections of the League, including 32 seasons in Division II.

Thus the club by the side of the Humber, known through the years as the "Tigers", are in their 51st season of League football, the Second Division having been in being for 13 seasons when, one year after being founded, Hull City were elected to Division II in 1905. They stayed there for 21 seasons until 1930.

A somewhat unlucky departure was their lot. Notts County went down with 33 points and Hull with as many as 35, but with a goal average inferior to that of Reading and Bristol City, also 35 points. Bradford City and Barnsley had 36.

Back after three years, they kept in present company for three more seasons, but in 1936 were relegated with 20 points, the next highest being Port Vale's 32.

OUR VISITORS—*continued*

Their stay this time lasted six seasons, promotion being gained in 1949 with 65 points. Seven seasons followed in the Second Division, ending with descent in 1956 with 26 points. The next appearance comprised only one season, 1959-60.

Previous managers of Hull City include the late Major Frank Buckley, of Wolves' fame, Horatio Carter and the offside king of pre-World War I days, the Newcastle United left back Bill McCracken. Don Revie, Neil Franklin, Ken Horton (ex-North End) and Stan Mortensen have worn the club's colours. These are now a modified version of the former striking amber and black vertical stripes which gave this proud club its well-known and long respected nickname.

HULL CITY PLAYERS

IAN HECTOR (Goalkeeper). Newcomer on month's trial from Southend. Two seasons there and five with Arsenal. Prodigious kicker. Born Bellshill, Scotland.

ANDY DAVIDSON (Right Back). Regular last term, missing only one League match. Sturdily-built, reliable defender. Hails from Douglas Water.

DENNIS BUTLER (Left Back). Formerly with Chelsea and born at nearby Fulham. Made 37 League appearances last season.

ALAN JARVIS (Right Half). Joined Hull from Everton in 1964 after spending three teenage years at Goodison Park. Born Wrexham. Played in 33 League games 1965-66.

MICK MILNER (Centre Half). Dislikes being called "Mick the Miller"! Giant of 6ft. 1in. and 12st. 10lb. Blotted out many centre forwards in his 46 League games last season. Proud of playing for the club of his native city.

CHRIS SIMPKIN (Left Half). Another home produced local. Hard worker lively in defence and good at linking. Also an ever-present previous season.

RAY HENDERSON (Outside Right). Hails from Wallsend and went to Hull from Middlesbrough. Missed only eight matches last term and scored 13 goals. Keen raider.

KEN WAGSTAFF (Inside Right). The ex-Mansfield wonder. Cost Hull big fee and justified it with 27 goals in his first 46 League games for Hull last season, and with three more already of four scored in his side's two wins.

CHRIS CHILTON (Centre Forward). Another big fellow (six feet and 12 stone). Born at Sproatley, near Hull, is a local product. Scored 25 goals in 45 games 1965-66.

KEN HOUGHTON (Inside Left). Expensive capture from Rotherham, where he was born. Another thruster judging by his record last season of 22 goals in 44 games.

IAN BUTLER (Outside Left). Like his colleague Houghton was born and reared in football at Rotherham and transferred for a big fee; 45 League games, 13 goals.

TERRY HEATH (Substitute). Useful acquisition from Leicester, his birthplace.

SPECTATORS ON PLAYING PITCH

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators came on to the pitch during the course of the Central League game with Blackburn Rovers. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
